Career Objectives:

To secure a responsible position in the Knitting Quality Assurance Department where I can utilise my expertise in fabric quality management, manpower planning, and industrial engineering tools to enhance organisational growth. I aim to contribute towards minimizing fabric rejection, strengthening buyer satisfaction, and improving overall productivity through effective team leadership and continuous process improvement.

Career Summary:

Textile professional with 6 years of extensive experience in circular knitting, quality control and assurance. Specialized in fabric inspection, manpower supervision, machine setting verification, and defect prevention. Recognized for improving production efficiency, ensuring buyer compliance, and delivering consistent high-quality fabrics. Strong leadership with a proven track record in managing large QA teams and implementing effective quality systems in the textile industry.

Working Experience:

Company Name	: South East Textiles (Pvt) Ltd. (Knitting Unit).
Designation	: Executive
Duration	: 1 st July 2022 to Till Now.
Department	: Quality Assurance (QAD)
Company Location	: Gohailbari, Shimulia, Savar, Dhaka

Duties/Responsibilities:

- Lead a team of quality inspectors and allocate manpower in knitting sections for maximum efficiency.
- Ensure 100% quality assurance of grey fabrics at both sample & bulk stages.
- Monitor yarn and fabric parameters, including GSM, Dia, Stitch Length, Barrie Mark, and Needle/Sinker Mark.
- Conduct online inspection, offline inspection, and prepare detailed Quality reports.
- Develop and implement SOPs for fabric quality improvement and defect minimization.
- Coordinate with production, maintenance, and dyeing departments to maintain consistent fabric quality.
- Maintain the Quality manual, reports, formats, and update buyer-specific quality standards.
- Take preventive and corrective actions to minimize rejection rates.
- Ensure proper machine servicing date, needle/sinker age verification in circular knitting machines.
- Regularly train and guide QC/QI to enhance Quality knowledge and skills.
- Assist management in strategic decision-making to achieve quality targets.

Company Name : Interstoff Apparels Ltd. (Knitting Unit)
Designation : Junior Executive
Duration : 06th May 2018 to 30th June 2022.
Department : Quality Assurance (QAD)
Company Location : South Pansail, Kashimpur, Gazipur.

Duties/Responsibilities:

- Supervised knitting QA operations, ensuring compliance with company standards.
- Verified fabric quality before forwarding to dyeing and finishing.
- Conducted daily manpower planning for Quality teams.
- Prepared daily, weekly, and monthly reports on quality performance.
- Provided training and feedback to QC and QI.
- Assigned Online QC across knitting machines to ensure smooth quality monitoring.
- Maintained records of all Quality issues and submitted to management.
- Assisted in maintaining buyer requirements and machine standards.
- Followed up with production teams to ensure continuous improvement (Kaizen approach).

Skills:

Knitting & QA Skills:

- Circular knitting machine operation & quality control
- Grey fabric inspection (defect detection & reporting)
- Yarn quality inspection & testing
- Grey GSM, Grey Dia and Stitch Length testing
- Fabric fault analysis & root cause identification
- Online, Offline inspection & shade approval process
- Handling buyer-specific QA requirements and audits
- SOP development and implementation for QA systems

Manpower & Leadership Skills:

- Manpower allocation and shift planning
- Team supervision & monitoring (QC, QI, helpers)
- Training, motivating, and skill development of subordinates
- Conflict resolution and maintaining team discipline

Technical & Analytical Skills:

- Machine setting verification (cylinder, gauge, feeders, needles, sinker)
- Fabric rejection reduction techniques
- Preventive maintenance coordination with the technical team
- ERP-based fabric barcoding & documentation
- Statistical Quality Control (SQC) & 5S implementation

Software Skills:

- Microsoft Office Suite (Word, Excel, PowerPoint)
- Email & Internet Browsing.
- Canva (Design & Layout)
- Basic ERP data handling

Soft Skills:

- Strong communication & reporting ability
- Leadership & decision making
- Problem-solving under pressure
- Patience & hardworking attitude
- Punctuality & professional ethics

Academic Qualification:

Degre	Institute	Department	Duration	Passing Year	Result
Bachelor of Science (B.Sc.)	Northern University Bangladesh	Textile Engineering (Fabric Manufacturing Technology)	3 Years	2021	CGPA 3.15/4.00
Diploma in Engineering	Khanjahan Ali Science & Technology	Textile Engineering	4 Years	2018	CGPA 3.28/4.00
Secondary School Certificate	Gobra Parvati Bidyapith High School	Business Studies	---	2014	GPA 3.56/5.00

Professional Achievements:
